RE: Account No. 500954

Dear Sir or Madam:

I am enclosing a copy of our July Monthly Statement and have underlined the entry on July 29, 2004 for \$180. There was an RCE filed in this application and authorization to charge the fee of \$910 to a credit card. This charge is for filing an IDS as indicated by the fee code, but the IDS is included with the submission of the RCE. Please advise as to why the charge for the IDS was placed on the deposit account.

Yours very truly,

Jennifer Thomas

INFORMATION DISCLOSURE STATEMENT (IDS)

Dear Sirs:

The enclosed Information Disclosure Statement is submitted under 37 CFR 1.97(b)(4). (This filing is believed to occur before the mailing of a first office action after the filing of an RCE).

The last page of the IDS filed on July 11, 2005 listed a number of references in which the Assignee claims ownership by assignment, but by clerical error the applicant name was omitted in a number of entries. This IDS re-submits those entries with the applicant name showing, and adds certain PCT publications in which assignee claims an interest. (Other references previously submitted in other IDS's may also be owned by Assignee).

Applicant by submitting the references taken alone or in combination neither represents nor admits that such references anticipate or render obvious the present invention. It is requested that the information disclosed herein be made of record in this application, and consideration of all references in relation to this application is respectfully requested.
